WHAT TO KNOW

7 Reasons to Work With a REALTOR[®]

REALTORS[®] aren't just agents. They're professional members of the National Association of REALTORS[®] and subscribe to its strict code of ethics. This is the REALTOR[®] difference for home buyers:

1. **An expert guide.**

Selling a home usually requires dozens of forms, reports, disclosures, and other technical documents. A knowledgeable expert will help you prepare the best deal, and avoid delays or costly mistakes. Also, there's a lot of jargon involved, so you want to work with a professional who can speak the language.

2. **Objective information and opinions.**

REALTORS[®] can provide local information on utilities, zoning, schools, and more. They also have objective information about each property. REALTORS[®] can use that data to help you determine if the property has what you need.

3. **Property marketing power.**

Property doesn't sell due to advertising alone. A large share of real estate sales comes as the result of a practitioner's contacts with previous clients, friends, and family. When a property is marketed by a REALTOR[®], you do not have to allow strangers into your home. Your REALTOR[®] will generally prescreen and accompany qualified prospects through your property.

4. **Negotiation knowledge.**

There are many factors up for discussion in a deal. A REALTOR[®] will look at every angle from your perspective, including crafting a purchase agreement that allows you the flexibility you need to take that next step.

5. **Up-to-date experience.**

Most people sell only a few homes in a lifetime, usually with quite a few years in between each sale. Even if you've done it before, laws and regulations change. REALTORS[®] handle hundreds of transactions over the course of their career.

6. **Your rock during emotional moments.**

A home is so much more than four walls and a roof. And for most people, property represents the biggest purchase they'll ever make. Having a concerned, but objective, third party helps you stay focused on the issues most important to you.

7. **Ethical treatment.**

Every REALTOR[®] must adhere to a strict code of ethics, which is based on professionalism and protection of the public. As a REALTOR[®]'s client, you can expect honest and ethical treatment in all transaction-related matters.

TITLE INSURANCE 101

WHAT IS TITLE INSURANCE?

The most accurate description of title is a bundle of rights in real property. A title search is the process of determining from the public record what these rights are and who owns them. A title search is a means of determining that the person who is selling the property has the right to sell it, and that the Buyer is getting all the rights to the property that he or she is paying for.

WHAT IS THE COST OF TITLE INSURANCE?

Title insurance is a one-time premium. It insures against title defects until the property is sold again to a new owner. The price for title insurance is dependent on the sale price of the property. Generate a quote on our website: nebtittleco.com/ratecalculator

WHAT CAN I EXPECT AT CLOSING?

On the day of closing, all documents pertinent to the transaction are signed, checks are disbursed and the legal documents are sent to the courthouse for official recording. Your Escrow Closer will provide a thorough overview of the Settlement Statement and closing documents. Nebraska Title Company is a disinterested third party to the transaction.

WHY DOES THE SELLER NEED TO PROVIDE TITLE INSURANCE?

Title insurance provides the Buyer evidence that the Seller owns title to the property and is free of title defects. The title insurance policy that a Seller provides to a Buyer is a guarantee that the Seller is selling a clear title to the real estate, unencumbered by any legal attachments that might limit or jeopardize ownership.

WHY DOES THE BUYER NEED TITLE INSURANCE?

Title insurance provides the Buyer protection against:

- Errors in the public record and hidden defects not disclosed in the public record
- Mistakes in examining the title of your new property
- Common title defects involving bankruptcies, divorces, estates, and mechanic's liens

In addition to the Buyer's Owner's Policy of Insurance, the Lender will require a policy that guarantees its first lien position on the property.

We strive to make the sale of your home a positive experience with a smooth, efficient closing process.

PROTECT YOUR MOST IMPORTANT ASSET

NEBRASKA TITLE COMPANY
SERVICE BEYOND EXPECTATION

As a policy issuing agency for Old Republic Title, we are able to offer the superior protection of the Homeowner's Policy of Title Insurance, delivering more complete risk coverage, which translates to greater peace of mind for homebuyers. Buying a new home is one of life's most gratifying experiences and might be the biggest investment you will ever make. As you approach closing day, however, all those details can be overwhelming. It's easy to overlook the single most important step in the entire process – the purchase of title insurance on your wonderful new home.

WHAT IS TITLE?

Title is the legal right that a person has to the ownership and possession of land. Since it is possible that someone other than the seller has a prior legal right to the property you're buying, the premium coverage offered by the Homeowner's Policy provides you with added peace of mind. There can be any number of prior problems that remain undisclosed even after the most careful search of public records. These prior hidden "defects" are very dangerous and sometimes are not discovered for months or even years after you purchase your home. You could be forced to spend substantial money on a legal defense to protect your rights.

The Homeowner's Policy helps protect you against covered losses and prior defects, and provides legal defense for covered risks.

GET THE RIGHT TITLE INSURANCE

Your lender only requires that you purchase a Loan Policy. However, that policy only ensures the lender has a valid, enforceable lien on the property. It does not protect you! The Homeowner's Policy, on the other hand, is designed to protect you from covered title discrepancies arising prior to or concurrent with your purchase of the property.

PROTECT YOUR INVESTMENT

The Homeowner's Policy provides the most complete title coverage available, including protection against undisclosed heirs, mistakes in recording or errors in tax records. Our basic coverage protects against prior covered matters, such as:

- Someone claiming an ownership interest in your title
- Leases, contracts or options affecting your title
- Someone claiming to have rights affecting your title due to forgery or impersonation
- Someone having a right to limit your use of the land
- Unmarketability of your title
- A defective title

In addition to the coverage provided in the traditional Owner's Policy, the Homeowner's Policy offers new and expanded coverages* for a total of 32 covered risks. Now you can purchase coverage against losses caused by:

- Zoning violations
- Subdivision law violations
- Improvements that encroach into an easement
- Building permit violations
- Covenants, conditions and restrictions

PROTECT YOUR MOST IMPORTANT ASSET

- Lack of vehicular and pedestrian access
- Supplemental assessments arising as a result of construction or a transfer prior to the policy date
- Damage to your house caused from someone with easement rights
- Someone refuses to buy your land because your neighbor's structures are on your land
- Your house or lawn and trees are being damaged by someone with rights to dig a well or mine

** Some coverages are subject to deductibles and liability caps.

COVERAGE INCREASES AUTOMATICALLY

Your Homeowner's Policy will automatically increase by 10% in value each year for the first five years (up to 150% of the original policy amount) to help cover increases due to inflation.

HOW MUCH DOES TITLE INSURANCE COST?

The single premium is directly related to the value of your home. Typically, it is less expensive than your annual auto insurance. It is a one-time-only expense, paid when you purchase your home, yet it continues to provide complete coverage for as long as you or your heirs own the property.

THE HOMEOWNER'S POLICY PROVIDES MORE COVERAGE THAN EVER BEFORE.

NOW YOU CAN HAVE THE CONFIDENCE AND PEACE OF MIND THAT YOUR TITLE IS PROTECTED, THEREBY INCREASING THE RESALE POTENTIAL OF YOUR HOME.
